Questionnaire for 2024/2025 Board Service

Congratulations, you have been nominated by your peers to serve as President-Elect for CREW DC in 2024, President in 2025, and Immediate Past President in 2026. The Nominating Committee has the difficult task of selecting the best candidate whose leadership skills and professional qualities match the priorities slated for our organization over the next three to five years. We aim to maximize all the dimensions of visible and invisible diversity in the CREW DC Board. We operate as a Strategic Board.

It is inevitable that not all who are nominated for President can be invited to serve in that capacity. Please know that your application is kept confidential among the nominating committee only – and you are welcome to, in fact we encourage you to apply again in a future year. The needs of the organization continue evolving, the dimensions of the Board change over time – you may be exactly what we need in a future year.

The questions below were drafted with the hope that each candidate will provide the information YOU deem important for the Nominating Committee to select the best leaders for our organization. **All candidates wishing to be considered must submit answers to the CREW DC Executive Director (kathyallgier@crewdc.org) no later than July 16, 2023.** Thank you in advance for your thoughtful replies; each candidate has our sincere appreciation for the qualities you bring to our organization.

Sincerely,

Stephanie Duncan
