As a Leadership Coach, Executive Search Consultant and Facilitator, Sharon has accompanied her clients on journeys of growth and transformation. With her deep expertise in the Commercial Real Estate Industry, Sharon works with Organizations and Individuals providing the space to explore, learn and thrive.

Prior to joining the consulting world, Sharon served as Senior Vice President of Administration and Director of Human Resources with Rubloff, Inc. and then as Chief Operating Officer for an international hotel real estate firm.

Throughout her career, Sharon has been involved in research and advocacy on behalf of woman of the real estate industry. She lead or participated in a series of CREW Network Benchmark Studies of leading white papers to support women in gaining the insight and knowledge to enable them to prosper.

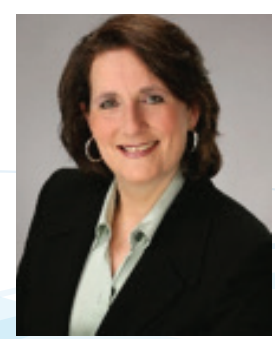

Sharon has a passion for inspiring both emerging and experienced Leaders to continue to learn and grow: For the past four years, Sharon had served as a Co-Chair of the CREW Chicago's Leadership & Professional Development Committee, spearheading the development of the Annual Leadership Forum Series, a year-long series of workshops, focused on developing and grooming, confident leaders, covering such themes as, The Inspirational Leader, The Mindful Leader, and The Strategic Leader.

Sharon has served on the Board of CoreNet and on the Executive Committee of USGBC Illinois. She served a two-year term as President of CREW Chicago and last year was honored to be named CREW Member of the Year.

Sharon holds a M.A. Communications from New York University and a B.A. from Bar Ilan University. She received her training as a Leadership Coach from The School of Transformational Leadership at Georgetown University. Sharon is a Professional Certified Coach (PCC) certified by the International Coach Federation (ICF).

Program Highlights

What is Strategic Leadership?

Individuals and teams demonstrate strategic leadership when they **think, act and influence** in ways that promote **sustainable competitive advantage**

THINK

The cognitive process required for the collection, interpretation, generation and evaluation of information and ideas that shape an organization for sustainable competitive advantage.

ACT

Strategic acting is committing resources to build sustainable competitive advantage

INFLUENCE

Strategic influence is how leaders engender commitment to strategic direction to achieve sustainable competitive advantage.

My Top Strategic Priority:

Commitments and Next Steps:

What is one step I commit to take that will have the greatest impact for me in achieving my ideal level of performance in my priority area?

My commitment is:

Share your commitment with a peer at your table

Dori Rubin
Senior Partner,
Truebridge Partners

Dori Rubin provides expertise and guidance in designing, developing and delivering leadership and learning initiatives that drive results. She is an ICF certified leadership coach extensive experience in leadership development for mid and senior level executives. Fluent in Spanish, Dori has worked extensively in both the US and Latin America. As a senior partner with Truebridge Partners, she specializes in customizing leadership and organizational solutions to meet specific client and audience needs.

Prior to joining Truebridge, Dori worked as a Director for Time Warner in its Global Organization & Leadership Development group where she was responsible for designing and delivering enterprise-wide leadership and learning initiatives targeting mid and senior management. These included multi-day leadership programs for women executives, leaders throughout Latin America, and high-potential employees. She also developed strategies and guidelines for onboarding and mentoring initiatives.

Dori earned her M.A. in Organizational Psychology from Columbia University, her B.A. degrees in Spanish and Philosophy from Indiana University, and a Certificate in Leadership Coaching from Georgetown University. Dori lives in Evanston, IL with her husband and two young daughters.
