WE ARE:

- Nearly 200 Members
- DEI Focused
- Accelerating Career Advancement of Women
- Achieving Pay Parity
- A Catalyst for Change
- "Never a Cold Call in CREW"

Like many, my initial goals for membership were centered around networking and positioning my team for the next deal; however, I quickly learned that is not CREW Omaha. I found education, mentorship, brand awareness, and an infectious inclusivity bringing together all aspects of commercial real estate in a non-competitive platform to engage and empower each other. CREW Omaha is my professional organization of choice. I am proud to call these professionals my personal friends, proud to serve on the board of directors, and proud to shape a developing Omaha community.

Leslie Suhr, LEO A DALY, Senior Architect

CHANGING THE FACE OF
COMMERCIAL REAL ESTATE,
ONE WOMAN AT A TIME -
WE FURTHER PROFESSIONAL
DEVELOPMENT THROUGH
EDUCATIONAL OPPORTUNITIES
AND SO MUCH MORE.

I was a founding member of CREW Omaha in 2009 - in the middle of the great recession when nobody was closing deals. In 2009, we struggled to convince 25 women to join CREW Omaha and now the organization has nearly 200 members. As the economy improved and more women joined, the value CREW Omaha provided to me and other members in terms of networking, programming, and visibility in the commercial real estate space has increased substantially. CREW Omaha has members in a wide variety of commercial real estate specialties, and I can call on any member in one of those specialties for help and have an automatic "in" because I am a fellow CREW member.

Jacqueline Pueppke, Baird Holm, Partner

WE OFFER:

- Industry-Leading Research
- Personal and Professional Development
- Top Industry Leading Speakers
- Building Tours
- Promoting and Recognizing Members
- Mentorship Program
- Global and Local Scholarship Winners
- Partnership with UNO Real Estate Program
- Industry-Specific Content and Programs
- Connections!

In 2019, I was finishing my second year at UNO, just beginning to learn about commercial real estate, when I was fortunate enough to apply and receive the CREW Network Foundation Scholarship, along with 14 other amazing women across the country. This opportunity opened numerous doors, one being my first year of membership to CREW Omaha. I am so thankful I was able to meet so many inspiring, hard-working people associated with CREW Omaha and jump start my career. I would not be where I am without CREW Omaha, and I look forward to the future giving back to this wonderful organization that gives to so many.

Mandi Backhaus, The Lerner Company
CREW Network Scholarship Winner 2019
