

## **CHAD CLARK, A.C., LEED AP**

*Vice President, Central Michigan Region  
at The Christman Company*

Chad joined Christman in 2001 and has become a go-to expert for delivering high-profile, complex projects with repeat clients. Chad thrives in an ever-changing environment, and he can make decisions quickly to keep projects moving forward. Although Chad's project portfolio shows his strong diversity in construction types (including Accident Fund of American New National Headquarters and multiple projects for the Michigan State Capitol Commission), he has become especially sought after for his historic preservation expertise. Chad sits on the Lansing Community College, Construction Management Advisory Board and is a member of the Building Owners and Managers Association. He's also active in the community, with organizations such as, Sparrow Foundation, Ele's Place, Habitat for Humanity, the Greater Lansing Food Bank and Junior Achievement. In his spare time, Chad enjoys spending time with his family, including three very active children, golfing, boating, and other outdoors activities.
