CREW Network was founded in 1989 to bring together women involved in the many aspects of commercial real estate to exchange information, develop business contacts and help each other succeed professionally. Today, CREW Network is the premier business network dedicated to transforming the commercial real estate industry by advancing women globally. We provide support to our 12,000 members worldwide through business networking, leadership development, industry research and career outreach. CREW SF's support of CREW Network positions our chapter as a leader within the CREW Network business organization. Our financial contribution supports technology upgrades and enhancements to provide members with new ways to connect and network globally and supports the development and expansion of critical network-wide member services offered by CREW Network.
