

Commercial Real Estate Women (CREW) Detroit is pleased to announce the call for entries for its 2024 Annual Impact Awards, honoring properties with a positive impact on Detroit and the Southern Michigan region. This region is defined as all counties south of and including Oceana, Newaygo, Mecosta, Isabella, Midland, Bay, and Huron Counties. The awards recognize one new construction project, one renovation/adaptive reuse project, and one special impact project (new or renovation) that significantly improve their surrounding communities.

Projects must be substantially completed between January 1, 2023 and July 1, 2024 to be eligible for the 2024 Impact Awards.
