OUR MISSION

CREW Fort Worth is a premier organization of commercial real estate professionals affiliated internationally through membership in CREW Network. We provide opportunities for networking, education and leadership development, and are dedicated to advancing the achievements of women in commercial real estate. Learn more at crewfw.org.

WHY PARTNER WITH CREW

Companies that partner with CREW Fort Worth are not only showing their support as an advocate for CREW's mission, but they make the decision to ensure their company's name is placed in front of senior-level decision makers within every facet of the CRE industry in Fort Worth and surrounding areas. CREW Fort Worth partnership provides ongoing visibility to our members and guests throughout the partnership year. As our membership continues to grow, so does the reach and benefits of your partnership.

CAREER OUTREACH

Committed to bringing more women into commercial real estate

The commercial real estate industry provides one of the greatest, yet often overlooked, career opportunities for women. From brokerage to law, finance, development, architecture and more, women are excelling in exciting and lucrative careers. Our network provides the connections, resources, and opportunities for women to become more successful in their careers, access to business opportunities and career growth. We are committed to bringing more women into commercial real estate by offering career outreach programs, scholarships and resources.

CREW CAREERS

Since 2005, CREW Careers® has introduced thousands of high school girls to the many career opportunities available to them in the commercial real estate industry. Hosted by CREW Network chapters, this hands-on event is a one-day or multi-session program using local real estate developments, projects or sites to showcase the many career options available within commercial real estate.

CREW Fort Worth is excited to partner with the **Young Women's Leadership Academy (YWLA)**. At YWLA, girls in grades 6 through 12 engage in a challenging STEAM-focused curriculum that emphasizes Science, Technology, Engineering, Arts, and Math. Through a series of mentoring events, we will introduce high school students to careers available in the commercial real estate industry. At panel presentations focused on junior classes, CREW Fort Worth members from different aspects of the real estate industry will explain what they do and how they work together. As part of a long-term goal, CREW Fort Worth would develop a competitive program for girls as part of CREW Network's CREW Careers Program. We are excited to host members of the YWLA senior class at our monthly luncheons. Please be on the lookout for these incredible young women.

UCREW

Since 2007 UCREW® has been introducing college students to the many diverse opportunities in commercial real estate. CREW Network chapters host interactive sessions in the fall and/or spring and utilize their members as role models to teach students networking fundamentals, offer powerful career resources, and provide relationship-building opportunities in career development.

In 2022, **CREW Fort Worth** announced our UCREW partnership with the University of Texas at Arlington. CREW Fort Worth hosts UTA students at our monthly luncheons, provides career resources and partners with their Downtown Fort Worth Campus for joint chapter/student meetings.
