

# How To Create Your CREWbiz Profile

All members of CREW Greater Philadelphia are automatically members of CREW Network, a global organization of 13,500+ members. A database of all members can be searched by a wide range of fields, providing exceptional opportunities to make valuable connections with other members.

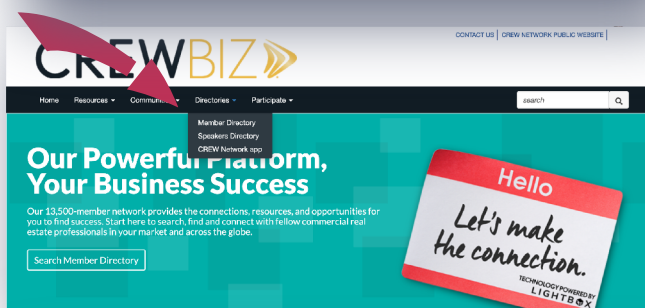

When you become a member of CREW a very basic profile is generated in this database. This contains your name, title, company, address, phone and email address that are on your membership application.

To make the most of your profile, and ensure you are found by members who are searching, we encourage you to complete the other sections. Here's how:

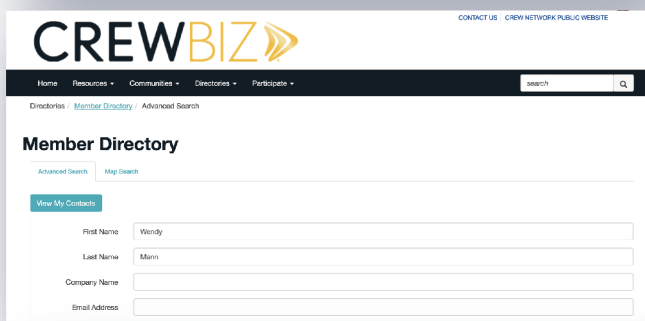

**Step 1:**  
Navigate to  
[crewbiz.crewnetwork.org](http://crewbiz.crewnetwork.org)  
and sign in.

**Step 2:**  
Once you are signed in, go  
to Member Directory.

**Step 3:**  
Search for yourself.

**Step 4:**  
Click on your name and you  
will be brought to your  
profile. Complete the  
missing fields.
