LETTER FROM THE PRESIDENT

As a seasoned professional who has experienced the transformative power of strong networks firsthand, I understand the vital role that organizations like AZCREW play in advancing women's careers. I'm privileged to serve as AZCREW's 2026 President and am deeply grateful for the loyal partners who have supported our mission year after year.

The CRE landscape is evolving rapidly, and women are increasingly driving innovation across Arizona. Yet many of these talented professionals still face barriers to accessing the networks and opportunities they need. AZCREW exists to eliminate those barriers and bring women together.

Our organization creates meaningful paths for professional growth through strategic programming, executive-level networking, and professional development opportunities. We connect rising leaders with established industry icons and provide the platform so women can showcase their expertise and expand their influence.

Partnering with AZCREW aligns your business with accomplished professionals who represent the future of commercial real estate. Our membership base includes decision-makers, business owners, and rising leaders across every sector – from development and investment to brokerage and property management.

Your sponsorship investment generates measurable returns through brand exposure while demonstrating your commitment to advancing women in business. For our continuing partners, we prioritize enhanced visibility opportunities and advanced access to our most sought-after networking events, recognizing your ongoing dedication to our community.

The women of AZCREW are shaping Arizona's future through impactful deals, successful firms, and transformative projects. Your partnership ensures they have the support system needed to continue driving our industry forward.

We invite you to join our community of committed supporters in building something significant. Thank you to our returning sponsors for your continued trust – we look forward to deepening our partnership and creating even greater impact together in 2026.
