RE: Renewal Incentive for CREW Jacksonville Partnership

We would like to extend our sincerest thanks to you for your continuous support of CREW Jacksonville. We would not be able to provide our members with such a fabulous value without our partner's support.

Although the past few years have been challenging, we have persistently administered creative events to keep our members engaged and our partners highlighted at the forefront of everything we do. We still want to continue to offer valuable opportunities for our partners such as the ability to have your company tell their own story through "Sponsor Takeover" via social media outlets and networking socials.

We acknowledge as the partnership renewal time frame quickly approaches that these expenditures will be closely reviewed for value this coming year. Therefore, CREW Jacksonville would like to graciously maintain the **15% incentive towards your 2026 Partnership Renewal Fee**. Reserve your organization's partnership today to ensure your company's presence (name and logo) will be highlighted in all of CREW Jacksonville's 2026 information and materials!

All of us at CREW Jacksonville want to thank you for your support and commitment to our success and we are looking forward to an extraordinary 2026 together!

The levels of sponsorship are outlined on the following pages. For further details on benefits or information about CREW Jacksonville, feel free to contact me at (904) 400-8134 or kinita.king@us.aflac.com.

Best Regards,

Kinita King
