

NEW MEMBER ROADMAP

Get Started.

Once Approved, you will receive information to set up your CREW Network account and pay your dues. Download our CREW Network App.

CREW Connections.

Stay engaged in your CREW Connections class for your 1st year of membership to receive extra guidance on your membership!

Complete CREWBiz and CREW Network Profile,

So that members can find you for business leads, referrals, and professional development.

Connect with CREW Houston on Social Media,

Through LinkedIn, Instagram, and Facebook. Joining the conversation will raise your profile.

Join a Committee.

Active committee involvement is the best way to network and get to know fellow members.

Utilize CREW Network Tools.

Take advantage of opportunities to learn, network and grow your business through CREWBiz, the Annual Convention, Leadership Summits, Webinars and Online Events.

Attend Special Events

Network with Commercial Real Estate professionals in curated, larger-format special events.

Unique Members Only Events

Meet in smaller groups and engage in fun, unique activities in the local community.

Attend Monthly Luncheons.

Meet, network and learn about the latest in the Commercial Real Estate industry during lunch.

Build Brand Recognition.

Annual and event sponsorship opportunities are available to offer you and your company an exciting way to engage with CREW members and develop brand recognition.

Help Others.

CREW Houston's mission is to transform the commercial real estate industry by advancing women. Participate in our various education, scholarship, mentorship, leadership training, and philanthropy programs.

Strengthen Leadership Skills.

Attend Chapter and Network leadership training workshops. Practical opportunities to develop leadership skills include participating on a committee, chairing a committee, and joining the Board of Directors.

Reach Out For Assistance.

We want to help you maximize your membership benefits and we welcome any questions. Contact your Chapter Administrators and let us know what you need!
