LETTER FROM CREW EAST BAY 2026 PRESIDENT

Dear Valued Sponsors and Future Partners,

As President, I'm thrilled to invite you to join us for another transformative year of growth, innovation, and opportunity. Your sponsorship is more than financial support—it's a catalyst for progress, leadership, and lasting impact within the commercial real estate industry.

When you support CREW East Bay, you're investing in a powerful network of professionals who are breaking barriers, elevating one another, and redefining what's possible. Together, we're not just hosting events—we're creating pathways for connection, mentorship, and leadership that shape the future of our industry.

This year, let's continue to open new doors, empower fresh voices, and inspire the next generation of trailblazers. With your partnership, we can turn vision into action and possibility into progress.

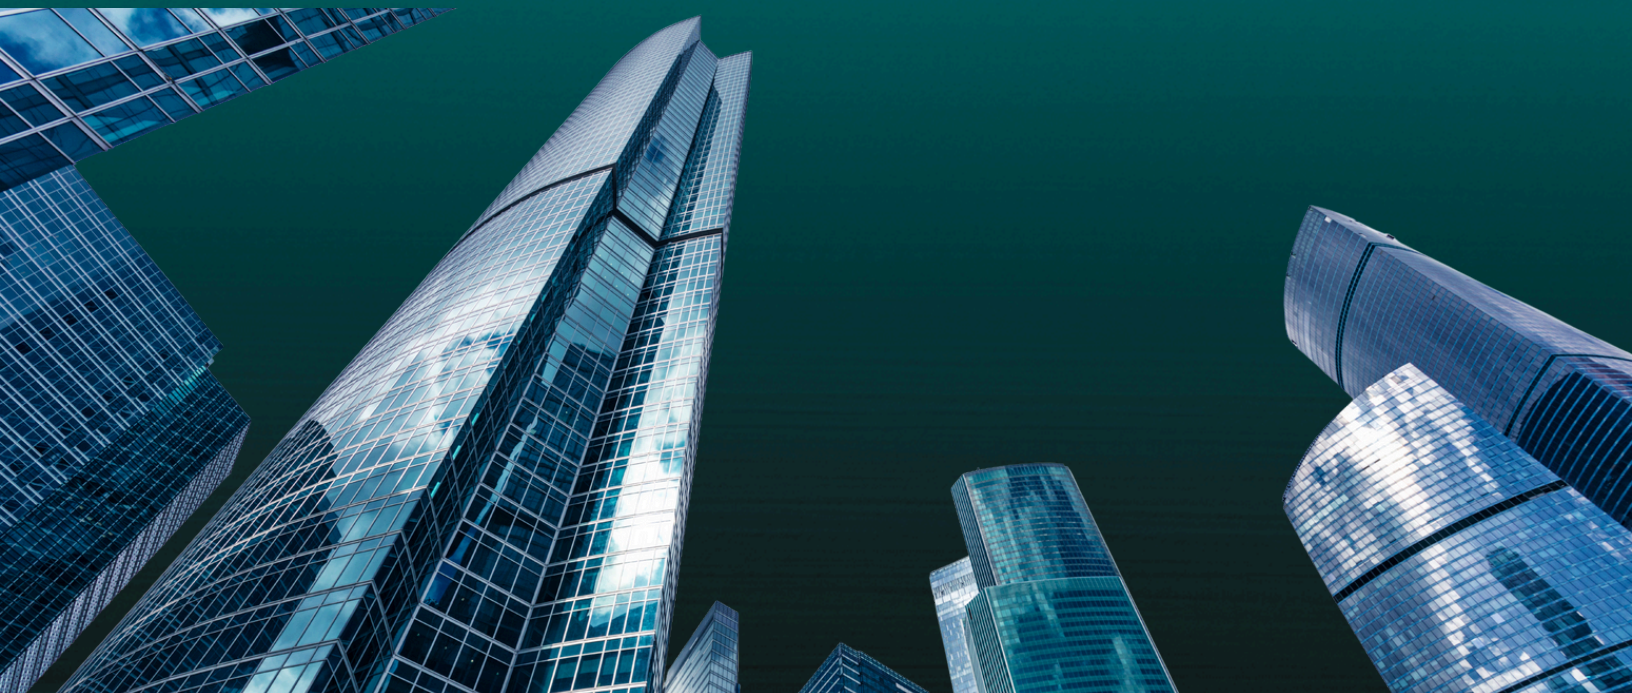

Thank you for believing in our mission and for being part of this incredible journey. The future of commercial real estate starts with us. Together we can make a difference.

With gratitude and excitement,

Doris Carter
President, CREW East Bay

Our Mission

Crew East Bay was founded in 2005 to connect commercial real estate women in the East Bay for business opportunities. Today, with more than 100 members, our mission is to advance all women in commercial real estate through business networking, leadership development, career outreach, and industry research.
