

CREW NETWORK

CHAPTER LEADERSHIP CIRCLE

Global Opportunities and Benefits

Position your chapter
as a leader in supporting
the advancement of
women in commercial
real estate globally

Partnering with CREW Network

When you partner with CREW Network, you are accelerating success for all women in the global commercial real estate industry. CLC Partnership positions your chapter as a leader in supporting CREW Network and provides year-round exposure to nearly 15,000 CRE professionals in 90+ markets globally. CREW Network provides the resources, connections and opportunities for women in CRE to become more successful in their careers, seizing business opportunities and career growth.

Our Global Initiatives

Leadership Development

CREW Network provides professional development and leadership training targeted specifically to meet member needs through programs, events and leadership-specific virtual programming.

Career Outreach

CREW Network is committed to bringing more women into commercial real estate by creating programs that educate girls and women about career opportunities, supporting college-level education through scholarships, and providing mentorships to those new to the industry.

Business Networking

Our multidisciplinary members experience unparalleled business networking and deal-making opportunities locally through chapter events and globally through CREW Network.

Industry Research

CREW Network is the world's leading producer of research on gender and diversity in commercial real estate. We produce research papers annually and a benchmark study every five years.

CLC partnership supports critical network-wide member services and programs offered by CREW Network—and helps keep these programs and services accessible to all members and chapters.

In-Person Event Benefits

Receive additional exposure at these major CREW Network events

Convention

During this three-day premier business networking event, your chapter will receive exposure to more than 1,400 senior-level women and men representing all disciplines within the commercial real estate industry. Choose the partnership level that provides your chapter with the maximum marketing exposure.

Leadership Summits

Members and leaders from all chapters gather three times a year to conduct CREW Network business, network and participate in leadership development programs. Members can assess and enhance their skills in such areas as negotiations, public speaking, and conflict resolution. Attendees also learn about the local market and development activities unique to that area.
