About Wisconsin CREW

Wisconsin Commercial Real Estate Women (WCREW) was formed in 1998 as the local chapter of the Commercial Real Estate Women (CREW) Network, a premier industry networking organization. CREW has a multi-disciplinary membership of nearly 15,000 professionals located in more than 90 major markets across the globe.

Our Initiatives

Leadership Development

Wisconsin CREW provides professional development and leadership training targeted specifically to meet member needs through programs, events and leadership-specific virtual programming.

Career Outreach

Wisconsin CREW is committed to bringing more women into commercial real estate by creating programs that educate women, girls about career opportunities, supporting college-level commercial real estate education through CREW Network scholarships, and providing mentorships.

Business Networking

Our multidisciplinary members experience unparalleled business networking and deal-making opportunities locally through chapter events and globally through CREW Network.

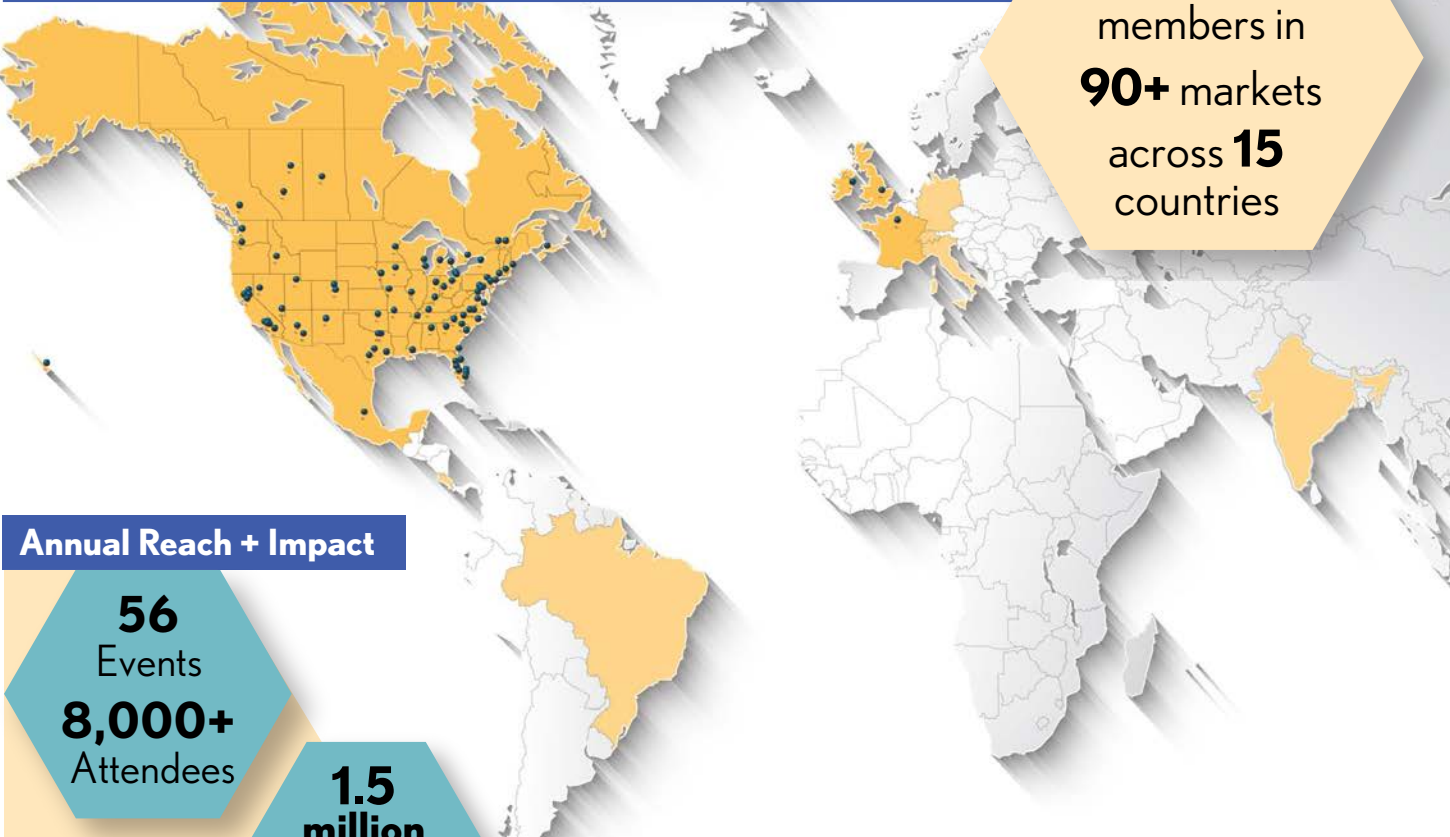

Industry Research

CREW Network is the world's leading researcher on gender and diversity in commercial real estate. We produce research papers annually and a benchmark study every five years.
