CREW Charleston is made up of over 100+ members employed in a wide range of disciplines within the industry. Through this network, connections are made, relationships are built, and the results can range from the precise identification of the right individual to make a deal happen to the creation of a comprehensive project team. What's more, through the national CREW network, CREW Charleston members have further access to more than 12,000 CREW members across the US, Canada, and UK. Accessibility to this international base enables Charleston members to be uniquely responsive to their local customers with international platforms. In addition to facilitating networking, CREW Charleston also presents opportunities for leadership training, professional development, and personal growth.

CREW Charleston Events:

CREW Charleston hosts over twenty events annually ranging from luncheons with prominent local and national Industry Leaders to Hard Hat tours of projects under construction. We host networking events promoting local businesses and professional development, and annual golf tournament, and an annual awards gala.

CREW Charleston has been a platform for referrals for its members and sponsors. **More than 75% of our members have given or received referrals. In the last two years, over \$74,000,000 in business has been completed between our local chapter members of CREW Charleston and \$35,000,000 has been a direct result of CREW Charleston.** CREW Charleston creates business development opportunities, mentorship opportunities, and leadership opportunities for its members on a local and national platform.
