^How does the member breakfast opportunity work?

1	Choose one of four member breakfast opportunities available. Annual Sponsors will be given first opportunity for hosting these events.
2	The sponsor of the breakfast will host the event at their location. This is a great event to showcase your product or facilities. PTCREW will provide the breakfast food but a space will be needed that can be set up for serving and eating at the location.
3	Email info@pt-crew.org for more information about these opportunities. Must take place in the Piedmont Triad.

For more information, please contact info@pt-crew.org or visit <https://piedmont-triad.crewnetwork.org/>
