CELEBRATING EXCELLENCE

CREW TAMPA BAY

CELEBRATING 30 YEARS

Chair's Note

Welcome to the 2026 CREW Tampa Bay Excellence Awards GALA!

It is our great pleasure to welcome you to an evening dedicated to celebrating excellence, achievement, and the incredible people who continue to shape and elevate commercial real estate throughout the Tampa Bay region.

This year, we set out with a vision to elevate the Excellence Awards experience with a GALA — building upon the tradition of this special event while introducing fresh ideas, new energy, and thoughtful touches designed to make the evening more memorable than ever. From the moment planning began, our goal was to create an event that truly reflects the caliber, creativity, and spirit of our commercial real estate community.

We have been overwhelmed by the enthusiasm and support we received this year—from a record number of award applications to the generosity of our sponsors, the dedication of our committee members and volunteers, and, of course, all of you joining us tonight. Your participation is what makes the Excellence Awards such a meaningful celebration.

Tonight is about more than recognizing outstanding projects and transactions. It is about celebrating the talented individuals behind them, the relationships that strengthen our industry, and the collective impact we continue to make throughout Tampa Bay.

We are incredibly proud of what our committee has created this year, and we are so excited to share this evening with each of you. Thank you for supporting CREW Tampa Bay, for celebrating excellence with us, and for helping make the 2026 Excellence Awards an unforgettable night.

Enjoy the evening, celebrate one another, and congratulations to all of this year's nominees and honorees!

Cheers!

CECELIA DRIVE — DAUNTLESS FOREVER HOME

Dauntless Contracting | Kelsi Sterett; JTC Realty | Ceci Tricoli; Bank of Central Florida | Leah Pearson; Old Tampa Bay Title | Natalie Fenderson

The acquisition of 6844 Cecelia Drive represents more than a property purchase—it establishes a long-term home for the continued growth of Dauntless Contracting. The transaction secured a 3,000-square-foot commercial building on a one-acre site and brought together four CREW Tampa Bay members across brokerage, title, banking and contracting. The result is a collaborative transaction that creates a strategic foundation for the company's next chapter.

UNDER 5,000 SF

OVERHEAD DOOR OF CLEARWATER

Lee & Associates Tampa Bay | Tessa Mellinger & Julia Silva

Overhead Door of Clearwater found a strategic path to expansion without disrupting its established operation. Rather than relocating, the company added a 4,000-square-foot satellite facility in Port Richey, creating additional storage and operational capacity while extending its reach north along the US-19 corridor. The transaction demonstrates how thoughtful real estate strategy can solve an immediate space need while creating room for continued long-term growth.

UNDER 5,000 SF

SIMPSON GUMPERTZ & HEGER

CBRE | Molly Molloy Catlett

The establishment of Simpson Gumpertz & Heger's first Florida office created a strategic Tampa Bay hub for the nationally recognized engineering and consulting firm. Located at MetWest International, the 2,046-square-foot transaction supports SGH's continued expansion throughout Florida and the Southeast. More than an office lease, the deal brings additional technical expertise and professional services to the region while positioning Tampa as an important part of the firm's continued growth.

EXALT HEALTH INPATIENT REHABILITATION HOSPITAL - RIVERVIEW

Ryan Companies US, Inc. | Patrick Chesser, Ann Cibulka, Lana Pearson, Marena Wright

Its integrated development model aligns ownership, development, construction, and long-term operations while addressing a growing need for specialized post-acute care in South Hillsborough County.

The result turns a dormant retail space into a new community-serving destination.

Following Kimball's relocation, the team repositioned the facility for new users, ultimately securing two major leases totaling 124,487 square feet while completing a $22.17 million sale.
